Sewing Instructions:

1. Fold each $6\frac{1}{2}$ " light square in quarters and press or mark the center of each side. Draw lines to connect the points.

2. Draw a line $\frac{1}{4}$ " on each side of the drawn diagonal lines (Or use the Quick-cut ruler)
3. Layer the light square with an accent square, right sides together. Sew on the dotted lines. If you pivot at the corners you can do it all in two continuous rounds.
4. Cut on the all solid lines.
5. Press your half-square triangles (HST) open with the seam allowance toward the accent fabric.
6. Square-up to $2\frac{3}{4}$ " and place in a bag labeled Step #1.
